About ISEF

Indonesia Shari'a Economic Festival (ISEF) is the largest and the most sophisticated annual Islamic economic and finance event in Indonesia. Initiated by the Central Bank of Indonesia in 2014, ISEF has transformed from a local-focused Islamic economic and finance showcase to one of the most anticipated annual event in the global Islamic economic and finance ecosystem.

Bringing the theme of **"Embracing Shari'a Economics For Stronger and Sustainable Growth"**, ISEF 2019 aims to serve as a transnational platform which gathers key strategic figures from various national and international stakeholders within several high-level meetings, summit, and conferences to address contemporary issues, keep up with the current challenges, and respond to existing opportunities in the recent Islamic economics and finance development.

Vision

Mainstreaming Islamic Economics and Finance into National and International Policy

Mission

ISEF carries out a mission to integrating and realizing ideas in measurable initiatives that deliver positive impact to the national and international economic advancement through the development of Islamic Economics and Finance which in line with sharia principles and Indonesia's local values.

Islamic Economic Festival (FeSyar)

The Road to ISEF is a series of supporting pre-event for the Indonesia Shari'a Economics Festival 2019. The Road to ISEF will be held in 3 capital city in 3 distinctive islands representing 3 different regions. The 1st FeSyar will be held in Sumatera Region in the city of Palembang from 2 – 4 August 2019. The 2nd FeSyar will take place at the city of Banjarmasin from 12 – 14 September 2019, representing the Island of Kalimantan and Eastern Region of Indonesia. The 3rd Fesyar will be organized in Surabaya, East Java from 6 to 9 November 2019 and served as a national-wide Indonesia Shari'a Economic Festival 2019.

Business Forum, and Coaching

As the 4th most populous country in the world and blessed by the large Muslim population, Indonesia holds immense opportunity to become leading actors in the global Islamic economics ecosystem. To withstand economic challenges and uncertainty in the global economy, entrepreneurship is expected to play a larger role in sustaining economic growth.

Aiming to support Islamic economics development, ISEF 2019 present Business Forum and Coaching to foster the spirit of brotherhood between Muslim entrepreneurs community. Business Forum and Coaching will serve as a sharing knowledge platform among Islamic business players within several chosen industries such as Food and Beverages, Fashion, Pharmaceutical and Cosmetics, Finance and Tourism.

Business Matching & Deals

In line with the objective to becoming one-stop Islamic Economic event, ISEF 2019 organize an International Business Matching and Deals that will served as a gateway for the local business players to the global market through One-on-One Business Matching where the national leading Halal Industry will pitch their distinguished craftsmanship expertise to the major industry players from international business environment.

Sustainable and Ethical Fashion Show

Indonesia hosts the largest Muslim community in the world, spread out from east to west region known for its vibrant and diverse culture. With rising awareness within the Muslim community, needs for ethical and modest fashion are expected to be one of the main accelerators that contributes to Indonesia Islamic economic development in the future. Expecting to be the Global Islamic and Modest Fashion Center, Bank Indonesia in collaboration with Indonesia Fashion Chamber is organizing Islamic Fashion Show as part of Islamic Shari'a Economic Festival 2019 that will be held in Jakarta, 14 – 15 November 2019. By bringing the theme of Ethical and Sustainable Fashion as the New Wave of Modern Muslim Lifestyle, Islamic Fashion Show at ISEF 2019 will serve as a showcase for young distinguished local fashion designer and international prominent fashion industry players.
